

MOUNT VERNON-LISBON POLICE DEPARTMENT

2025 Annual Report

CHIEF'S MESSAGE

It is my privilege to present the Mt. Vernon–Lisbon Police Department's Annual Report, a reflection of our commitment to providing professional and community-focused law enforcement services to the citizens we proudly serve. Each year brings new challenges and new opportunities, and 2025 was no exception. Yet through it all, our officers and staff demonstrated resilience, integrity, and a strong commitment to public safety.

My name is Jason Blinks, and it is an honor to introduce myself as the new Chief of Police for the Mt. Vernon–Lisbon Police Department. I step into this role following the retirement of Chief Doug Shannon, who concluded a remarkable 30 years of service to our communities. Throughout my time with this department, I have had the privilege of working alongside outstanding officers and learning from exceptional leaders. As Chief, I will continue striving to uphold the trust, transparency, and accountability that the citizens of Mt. Vernon and Lisbon expect and deserve.

This past year, we continued to strengthen the partnerships that make our communities special. Whether through proactive patrol, responsive service, community outreach, or collaborative problem-solving with residents and local organizations, our focus has remained steady: to safeguard our communities while building and maintaining strong relationships founded on trust.

None of our accomplishments would be possible without the support of our community partners, elected officials, and the citizens who work alongside us every day. We are deeply grateful for your trust and engagement. Your involvement, whether reporting concerns, participating in community programs, or simply taking a moment to thank an officer, plays a vital role in our success.

As we look toward the coming year, we remain committed to strengthening our service, adapting to emerging needs, and continuing the tradition of excellence that defines the Mt. Vernon–Lisbon Police Department. Together, we will continue building a safe, welcoming, and thriving community for all.
